FOUNDATION for social CHANGE

Benefits Leadership Council 100

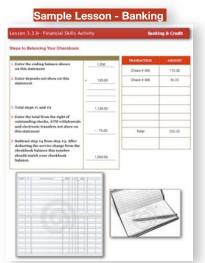

Support for life and business skills to women & girls for economic empowerment

Your Membership Supports...

- Education of women and girls in poverty from middle-income countries and bottom-of-the-pyramid locations
- Live programs of elife training after-school or in a community center
- Tablet apps for teachers to offer life skills training to students - allows for scalability of live program, and is more cost-effective
- Mobile apps with life and business skills content for women
- Customized content designed for specific users, such as SmartWoman - for women business owners
- ☑ Impact and outcomes are measured
- Helps support economic prosperity and political stability

Benefits

- ✓ Member meetings regionally/globally
- ☑ Escorted site visits to program locations with local NGO partners
- Branded Donation Banner on Mobile and Tablet apps
- High-level briefings about the global status of women and girls, and the progress of the UN's MDG's for Gender Equality
- Engage as Employee Volunteer and Mentoring Program
- Participation in the Global Conference for Social Change and Women & Girls Education Summit in conjunction with the United Nations Office for Partnerships
- **Evaluation** and **impact** study results
- ☑ Customized programs available
